MEMORANDUM FOR: Deputy Director/Intelligence (Admin)

SUBJECT : Comments on Draft Regulation 50-200

25X1

2. Paragraph 9 of draft regulation 50-200 would have the effect of an implementing regulation for DCI memorandum dated 30 April 1953. The provisions of this memorandum create an administrative burden believed to be unwarranted and an attempt is being made to have it amended. The attached staff study has been approved by all concerned on the DD/I side and is currently being circulated in DD/P and the Office of Security. It is recommended that R 50-200 be held pending clarification of this factor.
